for better working environment

About us

KLS International is your's complete office furniture solution provider, committed to provide world class office furnitures at a very affordable prices. Since our establishment in 2007, we have manufactured & supplied various types of business furniture for executive offices, call centres, waiting rooms, canteens, hospitals, professional service providers, home offices and in multiple retail outlets.

Our Strategic Intent

Our business is focused on the growth and development of best-in-class office furniture supported by a business model that maximises stakeholder value creation.

What we care about

- People - Treating everybody equally with respect
- Product Ranges - Building a legacy of quality, affordable products
- Quality - Never compromise on quality and workmanship.
- Integrity - Commitment to ethical business practices
- Teamwork - Working towards a common goal, taking each other into consideration.

We are proud of various milestone such as the introduction of new ranges in 2015 and the implementation of a fully integrated stock control system. We are environmentally responsible and we support eco-friendly manufacturing and business practices.
